TASMANIA ZOO is non-government funded. Ongoing care of animals, zoo grounds and infrastructure is funded purely through admission charges, the gift shop and Meerkat Munchies Cafe.

As a member of the Zoo and Aquarium Association, we work closely with all Australian zoos, and are involved in various species management programs.

Tasmania Zoo is also committed to caring for injured and orphaned wildlife. Some of these animals are unable to be returned to the wild. As you walk around the zoo, you will meet many of them whom all have their very own unique story.
